## Static Window Clings

From 12" x 12" up to 53" x 120" your pricing is based on actual square footage. The larger the area the cheaper your price per square foot!

## Traditional Vinyl Banners

Printed on 13 mil outdoor vinyl. Final price will vary due to actual square footage and additions such as pipe pockets, hems, and grommets, but a planning price of \$3.50 per square foot is used for initial printing quotes. Big impact with full color images!

Max size in outdoor vinyl is 150' x 16' without going to billboard printers.

Other substrates including 10 mil indoor vinyl, coreplas, poster paper, canvas, and mesh are available.
