Challenge Coins and Chips come in numerous diameters, thicknesses, and substrate material. From economical ceramic based chips just like the ones used in casinos to solid brass coins there is a solution for every budget.

Due to the complex nature of these orders the simplest method to get started on your challenge coin order is to complete this form and fax it to Behind The Scenes Productions at 513-947-1479 or answer the questions in an email and send a scan of your artwork.
